**Chapter 3 - Pretend**

**2**

### 3 - Pretend

Is it okay to love the one I hate?

Is it healthy to have a loveless relationship?

Is it right to love someone when they don't love you?

Is it okay to have other feelings for someone when you're already in a relationship? Can you really love someone that doesn't love you back?

Is it alright to pretend to hate everyone just so you won't get hurt?

Is it so wrong to not want to see your love with someone else?

Is it right to give up on life just because nobody likes you?

Can someone live a normal life without a heart? Can someone really live without love?
